## KISTEP Forum

R&D Directions and Policies for Dual-Use Technology

1:30pm, August 4, 2023, Friday, Room Dallas

### KISTEP Forum

KISTEP Forum on “*R&D Directions and Policies for Dual-Use Technology*” will seek efficient application and linkage of dual-use technology between civil and defense science and technology including commercialization. The forum will find ways to promote cooperation between Republic of Korea and the United States to learn and merge directions and policies through comparison and analysis.
