KIAT K-TAG Forum

USA Annual General Meeting on Promotion of KOREA-US Technical Cooperation

2:00pm, August 3, 2023, Thursday, San Antonio

The Korea Institute for Advancement of Technology (KIAT) is a comprehensive technology support organization committed to promoting industrial technology growth in Korea. Korea-Technology Advisory Group (K-TAG) USA launched by KIAT in July 2014, consists of Korean science and engineering experts in USA. Main activities of K-TAG are 1) to assist Korean Small and Medium-sized Enterprises (SMEs) in finding USA Innovative partners, 2) to provide advice as well as information related to Korea-USA R&D cooperation and 3) to develop and participate in Korea-USA joint R&D projects. In the UKC 2023, the members of K-TAG USA in various technical areas will get together to 1) seek research collaborations, 2) present/propose innovative research projects and 3) discuss R&D program planning with delegates of KIAT in this forum.
